RE: Petition of Bally's Park Place to Expand Hours of Beach Bar Operation  
PRN 1761303  
(July 4<sup>th</sup> Beach Service)

Dear Ms. Suhr:

The Division of Gaming Enforcement ("Division") is in receipt of your letter petition ("Petition") dated June 21, 2013 on behalf of Bally's Atlantic City ("Bally's"). The Petition requested temporary, one day amendments, for two occasions to the Division's Order dated May 14, 2013 (PRN 1191303) which Order initially approved Bally's beach bar for the 2013 season.

The first request in the Petition was for an extension of hours of operation for Bally's beach bar to accommodate patronage during the Atlantic City Air Show on June 26. That approval was given on June 25, 2013 by letter dated same.

The second request, addressed by this letter, seeks to extend the hours of alcoholic beverage service to Bally's leased beach area from 6:00 p.m. until 10:00 p.m., for July 4, 2013 only, to accommodate patronage on that holiday. As such extended hours necessitate a temporary corresponding amendment to the security plan for the beach bar and leased beach area, Bally's has submitted a revised security plan [REDACTED]

[REDACTED]

Upon review of the determination of the Atlantic City Police Department and the Atlantic City Beach Patrol that Bally's revised security plan adequately addresses their concerns for public safety during the extended hours of alcoholic beverage service to the beach, and having considered the relevant provisions of the Casino Control Act, I grant the relief requested in the Petition and extend the hours of service of alcoholic beverages to Bally's leased beach area for July 4, 2013. All other conditions set forth in PRN 1191303 which authorized the operation of the beach bar for 2013 remain in effect including the security staffing for which the currently approved staffing levels will be increased as described herein.

Sincerely,

David L. Rebuck  
Director
